Richard Kagel shared that he had attended a meeting on MACs, which are similar to our CAC. He had been invited to be on the panel. MACs are for municipalities rather than communities, like our council. They get grants. Geyserville/Alexander Valley MAC for example have a million dollars. He shared that he felt a bit like he was in the wrong place.

It was suggested that we might like to hear from someone at the county on what our council can do and how we can be proactive. Nancy suggested that we find out more about what is happening regarding vacation rentals. Alex would like to know about Sonoma Clean Power—is there an update since their presentation to us several months ago. He would especially like to know about their property acquisitions, as there is one hear his parents in Geyserville. Sharon will reach out to ur contact.

**Adjournment**

On a motion by Councilmember Alex Harris, seconded by Councilmember Arthur Murray, the meeting was adjourned at 6:22 pm. The motion carried on a voice vote (5-0).
