Commitment to Civil Engagement

All are encouraged to engage in respectful, non-disruptive communication that supports freedom of speech and values diversity of opinion. We, the members of the CAC, have adopted a list of norms referred to as our “Designed Team Alliance”, which describes the way we want to show-up and be in community while modeling collaborative behavior. We request that CAC members, staff, and the public follow the CAC’s agreed upon norms, which are:

- Be tough on the topic not on people
- Respect all participants in the meeting
- Respect others’ perspective, even when you disagree
- Respect each other’s time
- Stay within the meeting’s time and content parameters
- Practice active listening
- Listen with an open mind to all information, including dissenting points of view
- Speak to others as you would like to be spoken to
- Allow others to speak without comment or intrusive sounds
- Honor freedom of speech
- Call each other “in”
