# Festival del *Día del Niño*

SUNDAY APRIL 28, 2024 FROM 12PM-8PM

SANTA ROSA COURTHOUSE IN SANTA ROSA, CALIFORNIA

The Festival de Día del Niño is a day that recognizes children and their importance in society, promoting their well-being and endorsing their future. The mission of this event is to support local businesses and the services available to Hispanic families, with a special focus on the needs of children.

This tribute to our children will include children's crazy hat contest, soccer "nomidas" ball juggling, talent show contest, gifts, games, candy, music performances, toys giveaway and much more. The California Highway Patrol will have their vehicles available for children to explore, and they will be giving away plenty of toys to the children. We are also thrilled to announce a special presentation of K-9 at the event.
