

Cal. Code Regs. Tit. 9, § 3200.270 – Stakeholders

"Stakeholders" means individuals or entities with an interest in mental health services in the State of California, including but not limited to: individuals with serious mental illness and/or serious emotional disturbance and/or their families; providers of mental health and/or related services such as physical health care and/or social services; educators and/or representatives of education; representatives of law enforcement; and any other organization that represents the interests of individuals with serious mental illness/ and/or serious emotional disturbance and/or their families.

California Code, Welfare and Institutions Code - WIC § 5848

(a) Each three-year program and expenditure plan and update shall be developed with local stakeholders, including adults and seniors with severe mental illness, families of children, adults, and seniors with severe mental illness, providers of services, law enforcement agencies, education, social services agencies, veterans, representatives from veterans organizations, providers of alcohol and drug services, health care organizations, and other important interests. Counties shall demonstrate a partnership with constituents and stakeholders throughout the process that includes meaningful stakeholder involvement on mental health policy, program planning, and implementation, monitoring, quality improvement, evaluation, and budget allocations. A draft plan and update shall be prepared and circulated for review and comment for at least 30 days to representatives of stakeholder interests and any interested party who has requested a copy of the draft plans.
