SōCō PROBATION

IV. Indicators of program quality

- a. Please provide your program's most meaningful key indicator(s) of program quality:
 - i. Ex: "Program supervisors observed and rated sessions in accordance with the XYZ program fidelity measures. 87% of observed sessions fully adhered to the program model."
 - ii. Ex: "Each youth participated in a satisfaction survey at the end of the program. 87% of youth indicated agreement or strong agreement on all four measures of satisfaction."

V. Participant Successes and Challenges

- a. Please provide one or two examples of each, from the participant perspective:
 - i. Ex: "I thought the weekly check-ins were helpful because it made me organize my time better."
 - ii. Ex: "Since finishing the program, my kid is less disruptive at school."
 - iii. Ex: "The program was good, but I wish they could have provided more help with transportation."

VI. Provider Goals and Growth Areas

- a. What is your top program improvement goal for the coming year?
 - i. Ex: "Our organization hopes to hire and retain an additional bilingual/culturally competent clinician."
 - ii. Ex: "Our team is looking to streamline the referral process with the Probation Department."
